Packing content	1x IB-i041

iPhone 4® with protection frame and silicone inlay IB-i041

A Valuable Picture Deserves an Appropriate Frame

These are not only cool looking frames for the iPhone, these are also solid and shatter-proof. Our standard is proven in handcraft. Mona Lisa, too, doesn't show in a frame from the hardware store.

Solid aluminium frame, cut and polished by hand, with shock-absorbing silicone. Black and silver.
